The Rooted Collection mixes the two most decorative and rich in graphic materials for interior design. The marked veins of marbles are combined with the bold appearance of soapstone, creating a unique look which gives every venue a modern yet urban touch.

The overall aspect is timeworn and scratched, with a wide color palette which includes dramatic modern shades like white and dark gray and more traditional ones like ivory and medium gray. The result is a product rich in details that is suitable for different spaces, from industrial residential to rustic commercial.
